Acoustic Panels

Acoustic Panels

Zest acoustic panels are a stylish and contemporary wall covering that absorbs noise and improves sound quality enhancing the feeling of peace and serenity in a room.

Ideal for use in living rooms, dining rooms, bedrooms, home cinemas and work and commercial environments. These lightweight, easy to install, real oak and ash wood veneer panels add warmth and create a cosy, pleasant atmosphere.

- Sourced from sustainable wood.
- Rigid backing made from 100% recycled plastic
- Real oak and ash wood veneer finished on all three sides
- Quick and easy to install
- Excellent acoustic properties

Every effort has been made to accurately reproduce Zest wall panel colours in this brochure,
but due to print limitations, the colours shown may not exactly match panel colours.

We would always recommend asking for a **free sample** from your stockist or email samples@zestwallpanels.co.uk
